

Please note there is no downloadable form for Power of Attorney however please find below information regarding Power of Attorney.

Power of Attorney

Deceased Estates

If you hold a power of attorney on behalf of someone else it is important that you let us know so that we can update their holdings with this information. This is what you need to do:

Send us an original version of a certified power of attorney document. You also need to send us a letter, stating the company names and SRNs or HINs of the holdings for which you have power of attorney. When we receive your power of attorney we will update all the relevant holdings with the key conditions of the power of attorney.

Please note, this is a once only transaction for existing holdings, but you will need to repeat the process for any new holdings over which you are given power of attorney in the future.
