Notes to the Financial Statements

For the year ended 30 June 2023

Note 1 – Basis of preparation of the Financial Report

(a) Corporate information

This financial report of Carindale Property Trust (Trust) for the year ended 30 June 2023 (Financial Year) was approved in accordance with a resolution of the Board of Directors of Scentre Management Limited, as responsible entity of the Trust (Responsible Entity).

The nature of the operations and principal activities of Carindale Property Trust are described in the Directors' Report.

(b) Going concern

This annual report has been prepared on a going concern basis. In making this assessment, the Directors have considered the Trust's ability to meet its financial obligations over the next 12 months, using cash flow sensitivity analysis and having regard to debt maturities, funding requirements, operating cash earnings and available financing facilities. At 30 June 2023, \$62.9 million (30 June 2022: \$50.9 million) of financing resources were available to the Trust which are sufficient to cover short term liabilities.

(c) Statement of compliance

This financial report complies with Australian Accounting Standards and International Financial Reporting Standards issued by the International Accounting Standards Board. The accounting policies adopted are consistent with those of the previous financial year except that the Trust has adopted the following new or amended standards which became applicable on 1 July 2022.

- AASB 2021-3 Amendments to Australian Accounting Standards – COVID-19 Related Rent Concessions beyond 30 June 2021 (effective for annual reporting periods beginning on or after 1 April 2021)

This amends AASB 16 Leases to extend the availability of the practical expedient for lessees to not account for COVID-19 related rent concessions as lease modifications by one year. This amendment did not have a significant impact on the financial statements on application.

- AASB 2020-3 Amendments to Australian Accounting Standards – Annual Improvements 2018–2020 and Other Amendments (effective from 1 January 2022)

This amends (to the extent relevant to the Trust):

- (i) AASB 9 Financial Instruments to clarify the fees an entity includes when assessing whether the terms of a new or modified financial liability are substantially different from the terms of the original financial liability;

- (ii) AASB 3 Business Combinations to update a reference to the Conceptual Framework for Financial Reporting without changing the accounting requirements for business combinations; and

- (iii) AASB 137 Provisions, Contingent Liabilities and Contingent Assets to specify the costs that an entity includes when assessing whether a contract will be loss-making.

These amendments did not have a significant impact on the financial statements on application.

Certain Australian Accounting Standards and Interpretations have recently been issued or amended and are not required to be adopted by the Trust for the year ended 30 June 2023. The impact of these new standards and interpretations (to the extent relevant to the Trust) is as follows:

- AASB 2020-1 Amendments to Australian Accounting Standards Classification of Liabilities as Current or Non current (effective from 1 January 2024)

This amends AASB 101 Presentation of Financial Statements to clarify the requirements for classifying liabilities as current or non current. This amendment is not expected to have a significant impact on the financial statements on application.

- AASB 2021-5 Amendments to Australian Accounting Standards Deferred Tax related to Assets and Liabilities arising from a Single Transaction (effective from 1 January 2023)
- This amends AASB 112 Income Taxes to clarify the accounting for deferred tax on transactions that at the time of the transaction give rise to equal taxable and deductible temporary differences. This amendment is not expected to have a significant impact on the financial statements on application.
- AASB 2022-6 Amendments to Australian Accounting Standards – Non-current Liabilities with Covenants (effective from 1 January 2024)

This amends AASB 101 Presentation of Financial Statements to improve the information an entity provides in its financial statements about liabilities arising from loan arrangements for which the entity's right to defer settlement of those liabilities for at least twelve months after the reporting period is subject to the entity complying with conditions specified in the loan arrangement. This amendment is not expected to have a significant impact on the financial statements on application.

- AASB 2021-2 Amendments to Australian Accounting Standards Disclosure of Accounting Policies and Definition of Accounting Estimates (effective from 1 January 2023)

Notes to the Financial Statements continued

Note 1 – Basis of preparation of the Financial Report (continued)

This amends:

- (i) AASB 7 Financial Instruments: Disclosures, to clarify that information about measurement bases for financial instruments is not expected to be material to an entity's financial statements;
- (ii) AASB 101 Presentation of Financial Statements, to require entities to disclose their material accounting policy information rather than their significant accounting policies;
- (iii) AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors, to clarify how entities should distinguish changes in accounting policies and changes in accounting estimates;
- (iv) AASB 134 Interim Financial Reporting, to identify material accounting policy information as a component of a complete set of financial statements; and
- (v) AASB Practice Statement 2 Making Materiality Judgements, to provide guidance on how to apply the concept of materiality to accounting policy disclosures.

These amendments are not expected to have a significant impact on the financial statements on application.

- AASB 2014-10 Amendments to Australian Accounting Standards – Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (effective from 1 January 2025)

This amends AASB 10 Consolidated Financial Statements and AASB 128 Investments in Associates and Joint Ventures to address an inconsistency between the requirements of AASB 10 and AASB 128 in dealing with the sale or contribution of assets between an investor and its associate or joint venture. This amendment is not expected to have a significant impact on the financial statements on application.

IFRS Sustainability Disclosure Standards

In June 2023, the International Sustainability Standards Board (ISSB) issued its first two International Financial Reporting Standards (IFRS) Sustainability Disclosure Standards: IFRS S1 General Requirements for Disclosure of Sustainability-related Financial Information (IFRS S1) and IFRS S2 Climate-related Disclosures (IFRS S2). Shortly after, local regulators have commenced a consultation process that proposes to mandate the disclosure of climate-related financial information in the future. The Directors of the Responsible Entity will continue to monitor for developments in relation to local equivalents of IFRS standards.

The Trust continues to assess the impact of climate-related risks and opportunities on its operations and financial performance including its impact on the Trust's investment property valuations. Independent valuations are generally prepared annually to assess the fair value of the Trust's shopping centre assets. These valuations are conducted in accordance with the guidelines and valuation principles as set by the International Valuation Standards Council and the Royal Institution of Chartered Surveyors (RICS).

In assessing for the implications of sustainability in property valuations under the RICS Valuation – Global Standards, consideration is given to matters such as (but is not limited to) environment, climate change and corporate responsibility that can or do impact on the valuation of an asset. This may include key environmental risks, such as flooding, energy efficiency, current and historic land use as well as matters of design, configuration, accessibility, legislation, management and fiscal considerations.

(d) Basis of accounting

This financial report is a general purpose financial report which has been prepared in accordance with the requirements of the *Corporations Act 2001* and Australian Accounting Standards. This financial report has also been prepared on a historical cost basis, except for investment properties and derivative financial instruments that have been measured at fair value.

Investment property is held jointly as tenants in common. The proportionate share of the income and expenditure, and of the assets and liabilities of property interests, are held as tenants in common and have been included in their respective classifications in this financial report.

This financial report is presented in Australian dollars.

(e) Significant accounting judgements, estimates and assumptions

The preparation of this financial report requires management to make judgements, estimates and assumptions. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements and estimates on historical experience and other various factors it believes to be reasonable under the circumstances, the results of which form the basis of the carrying values of assets and liabilities that are not readily apparent from other sources.

Further details of the nature of these assumptions and conditions may be found in the relevant notes to the financial statements, in particular, Note 3: Investment properties, Note 4: Trade debtors and receivables and Note 20: Fair value of financial assets and liabilities. Actual results may differ from these estimates under different assumptions and conditions and may materially affect the Trust's financial results or the financial position in future periods.

(f) Rounding

In accordance with ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191, the amounts shown in this financial report have been rounded to the nearest thousand dollars, unless otherwise indicated. Amounts shown as 0.0 represent amounts less than \$500 that have been rounded down.

(g) Comparative information

Where applicable, certain comparative figures are restated in order to comply with the current presentation of the financial statements.

Note 2 – Segment reporting

The Trust operates in one business segment, being the ownership of a shopping centre in Australia.

	30 Jun 23 \$'000	30 Jun 22 \$'000
Property revenue		
Shopping centre base rent and other property income ⁽ⁱ⁾	56,340	53,664
Amortisation of tenant allowances	(1,443)	(945)
	54,897	52,719

(i) Includes recoveries of outgoings from lessees of \$6.6 million (2022: \$6.7 million).

Accounting Policies

Revenue recognition

Rental income from investment properties is accounted for on a straight line basis over the lease term. Contingent rental income is recognised as income in the period in which it is earned. If not received at balance date, revenue is reflected on the balance sheet as a receivable and carried at its recoverable amount.

Certain tenant allowances that are classified as lease incentives are recorded as part of investment properties and amortised over the term of the lease. The amortisation is recorded against property revenue.

All other revenues are recognised on an accrual basis.

Net revaluation (decrement)/increment	(18,397)	30,972
Balance at the end of the year ⁽ⁱ⁾	775,476	785,054

(i) The fair value of investment property at the end of the period includes ground lease assets of \$0.049 million (30 June 2022: \$0.054 million).

The Trust's shopping centre investment comprising Westfield Carindale and Millennium Boulevard Office and Retail Centre has been independently valued as at 30 June 2023. The valuation of the Trust 50% interest is \$775.0 million (2022: \$785.1 million) with a capitalisation rate of 5.25% (2022: 5.00%) and a discount rate of 6.50% (2022: 6.25%). This valuation was conducted by CBRE Valuations Pty Limited in accordance with guidelines set by the International Valuation Standards Council.

Notes to the Financial Statements *continued*

Note 3 – Investment properties (continued)

Valuation inputs

The Income Capitalisation approach and the Discounted Cash Flow approach are used to arrive at a range of valuation outcomes, from which a best estimate of fair value is derived at a point in time.

The key assumptions and estimates used in these valuation approaches include:

- forecast future income, based on the location, type and quality of the property, which are supported by the terms of any existing leases, other contracts or external evidence such as current market rents for similar properties;
- lease assumptions based on current and expected future market conditions after expiry of any current lease; and
- the capitalisation rate and discount rate derived from recent comparable market transactions.

Changes to key inputs would result in changes to the fair value of investment properties. An increase in capitalisation rate and/or discount rate would result in lower fair value, while a decrease in capitalisation rate and/or discount rate will result in higher fair value (with all other factors held constant). The capitalisation rate sensitivity analysis is detailed below.

		30 Jun 23 \$'000	30 Jun 22 \$'000
The sensitivity of shopping centre valuations to changes in capitalisation rates is as follows:	Capitalisation rate movement	Increase/(decrease) in fair value	
	-50 bps	81,579	87,222
	-25 bps	38,750	41,316
	+25 bps	(35,227)	(37,381)
	+50 bps	(67,391)	(71,364)

Accounting Policies

Investment properties

The Trust's investment properties include shopping centre investments, development projects and construction in progress.

Shopping centre investment

The Trust's shopping centre investment comprises of freehold and leasehold land, buildings and leasehold improvements.

Land and buildings are considered as having the function of an investment and therefore are regarded as a composite asset, the overall value of which is influenced by many factors, the most prominent being income yield, rather than by the diminution in value of the building content due to effluxion of time. Accordingly, the buildings and all components thereof, including integral plant and equipment, are not depreciated.

Initially, the shopping centre investment is measured at cost including transaction costs. Subsequent to initial recognition, the Trust's shopping centre investment is stated at fair value, which reflect market conditions at the reporting date. Gains and losses arising from changes in the fair value of its shopping centre investment property are included in the statement of comprehensive income in the year in which they arise.

At each reporting date, the carrying value of the shopping centre investment properties is assessed by the Directors and where the carrying value differs materially from the Directors' assessment of fair value, an adjustment to the carrying value is recorded as appropriate.

The Directors' assessment of fair value takes into account the latest independent valuation generally prepared annually, with updates taking into account any changes in capitalisation rate, underlying income and valuations of comparable centres. In determining the fair value the capitalisation of net income method and the discounting of future cash flows to their present value have been used which are based upon assumptions and judgements in relation to future rental income, capitalisation rate and make reference to market evidence of transaction prices for similar properties.

Development projects and construction in progress

The Trust's development projects and construction in progress include costs incurred for the current redevelopment and expansion of existing shopping centre investments. Development projects and construction in progress include

capitalised construction and development costs, payments and advances to contractors and where applicable, borrowing costs incurred on qualifying developments.

The Directors' assessment of fair value of each development project and construction in progress that meets the definition of an investment property, takes into account the expected costs to complete, the stage of completion, expected underlying income and yield of the development. From time to time, during a development, the Directors may commission an independent valuation of the development project. On completion, the development project is reclassified to shopping centre investment and an independent valuation is obtained.

Independent valuations are conducted in accordance with guidelines and valuation principles as set by the International Valuation Standards Council.

Decrease/(increase) in expected credit loss allowance recognised in the statement of comprehensive income	313	(14)
Balance at the end of the year	(2,744)	(3,972)

Expected credit loss allowance

In determining the expected credit loss allowance, management has considered security deposits received from tenants generally in the form of bank guarantees, which can be called upon if the tenant is in default under the terms of the lease contract. Trade debtors also include GST which is fully recoverable from the relevant tax authorities where the debt is not collected and therefore the GST amount is excluded from the loss allowance.

Trade debtors and receivables written-off includes rent abated from rent relief arrangements applicable to the COVID-19 pandemic period. The decrease in the expected credit loss allowance is primarily as a result of abatements credited against outstanding receivables.

At 30 June 2023, approximately 67% of trade debtors are aged greater than 90 days and the expected credit loss allowance is 70% of trade debtors. An increase or decrease of 5% in the expected credit loss rate (after adjusting for GST and bank guarantees) would result in an increase or decrease in expected credit loss allowance of \$97,500 respectively. At 30 June 2022, approximately 82% of trade debtors are aged greater than 90 days and the expected credit loss allowance is 59% of trade debtors. An increase or decrease of 5% in the expected credit loss rate (after adjusting for GST and bank guarantees) would result in an increase or decrease in expected credit loss allowance of \$192,300 respectively.

Notes to the Financial Statements continued

Note 4 – Trade debtors and receivables (continued)

Accounting Policies

Trade debtors and receivables

Trade debtors and receivables are held to collect contractual cash flows and these contractual cash flows are solely payments of principal and interest. At initial recognition, these are measured at fair value.

Trade debtors and receivables are subsequently measured at amortised cost using the effective interest rate method, reduced by impairment losses. Interest income and impairment losses are recognised in the statement of comprehensive income. The receivable is written off when there is no reasonable expectation of recovering the contractual cash flows such as when all legal avenues for debt recovery have been exhausted, and when rent is waived as part of the COVID-19 rent relief negotiations. Any gain or loss on derecognition is also recognised in the statement of comprehensive income.

In assessing for impairment, the Responsible Entity assesses on a forward-looking basis the expected credit losses associated with its financial assets carried at amortised cost. For trade debtors and receivables, the Responsible Entity applies the simplified approach, which requires lifetime expected losses to be recognised from initial recognition of the receivables.

In measuring the expected credit loss, trade debtors and receivables have been grouped based on shared credit risk characteristics (e.g. size and industry) and the days past due. The expected loss rates are determined based on days past the due date and the historical credit losses experienced. Historical loss rates are adjusted to reflect current and forward looking information on macroeconomic factors affecting the ability of customers to settle their debts.

Note 5 – Trade and other payables

Accounting Policies

Payables

Trade and other payables are carried at amortised cost and due to their short term nature they are not discounted. They represent liabilities for goods and services provided to the Trust prior to the end of the financial year that are unpaid and arise when the Trust becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are paid within 30 days.

Note 6 – Distributions

	19,666	17,991

(i) Details of the DRP that operated during the Financial Year are disclosed in the Statement of Changes in Equity and Note 13: Contributed equity.

Note 7 – Net tangible asset backing

	30 Jun 23 \$	30 Jun 22 \$
Net tangible asset backing per unit	6.98	7.25

Net tangible asset backing per unit is calculated by dividing total equity attributable to members of the Trust by the number of units on issue at year end. The number of units used in the calculation of the net tangible asset backing is 75,719,810 (2022: 72,650,101).

Note 8 – Earnings per unit

	cents	cents
Basic earnings per unit	10.78	92.99
Diluted earnings per unit	10.78	92.99

Basic and diluted earnings per unit are calculated by dividing the net profit attributable to members of the Trust of \$8,024,000 (2022: \$66,518,000) by the weighted average number of ordinary units on issue during the Financial Year. The weighted average number of units used in the calculation of basic and diluted earnings per unit is 74,399,713 (2022: 71,529,183).

The Trust did not have any dilutive instruments on issue for the Financial Year or prior year. Accordingly, the basic and diluted earnings per unit calculations are the same.

Accounting Policies

Earnings per unit

Basic earnings per unit is calculated as net profit attributable to members of the Trust divided by the weighted average number of ordinary units. Diluted earnings per unit is calculated as net profit attributable to members of the Trust divided by the weighted average number of ordinary units and dilutive potential ordinary units.

Note 9 – Financing costs

Financing costs

Financing costs include interest, amortisation of discounts or premiums relating to borrowings and other costs incurred in connection with the arrangement of borrowings. Financing costs are expensed as incurred unless they relate to a qualifying asset. A qualifying asset is an asset which generally takes more than 12 months to be readied for its intended use or sale. In these circumstances, the financing costs are capitalised to the cost of the asset. Where funds are borrowed by the Trust for the acquisition or construction of a qualifying asset, the associated financing costs are capitalised.

Cash and cash equivalents

Cash and cash equivalents on the balance sheet comprise cash at bank and on hand and short term deposits with an original maturity of 90 days or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Cash and cash equivalents are measured at amortised cost using the effective interest rate method, reduced by impairment losses. Interest income and impairment losses (if any) are recognised in the statement of comprehensive income.

For the purposes of the cash flow statement, cash and cash equivalents includes cash on hand and at bank, short term money market deposits and bank accepted bills of exchange readily converted to cash net of bank overdrafts. Bank overdrafts are carried at the principal amount.

The Trust has a \$300 million floating interest rate secured syndicated facility. Drawings under this facility are secured by a registered mortgage over the Trust's interest in Westfield Carindale and a fixed and floating charge over all assets and undertakings of the Trust. The facility is subject to negative pledge arrangements and matures in the first half of calendar year 2027.

Accounting Policies

Interest bearing liabilities

Interest bearing liabilities are recognised initially at the fair value of the consideration received less any directly attributable transaction costs. Subsequent to initial recognition, interest bearing liabilities are recorded at amortised cost using the effective interest rate method.

Interest bearing liabilities are classified as current liabilities where the liability has been drawn under a financing facility which expires within one year. Amounts drawn under financing facilities expiring after one year and where the Trust has an unconditional right to defer the settlement of liability for at least 12 months after the reporting period are classified as non current.

Financing costs for interest bearing liabilities are recognised on an accruals basis.

The fair values of the Trust's interest bearing liabilities and lease liabilities as disclosed in Note 20 are estimated by discounting future cash flows using rates that approximate the borrowing rate at the balance date, for debt with similar maturity, credit risk and terms.

The Trust's interest rate swaps do not meet the accounting requirements to qualify for hedge accounting treatment. Changes in fair value have been reflected in the statement of comprehensive income. As at 30 June 2023, the aggregate fair value is a net receivable of \$8,111,173 (2022: \$7,185,382). The change in fair value for the year ended 30 June 2023 was a net gain of \$925,791 (2022: 12,136,290).

The Trust presents the fair value mark to market of its derivative assets and derivative liabilities on a gross basis. Certain derivative assets and liabilities are subject to legally enforceable master netting arrangements, however do not meet the criteria for offsetting in the balance sheet. As at 30 June 2023, these netting arrangements had no impact on the derivative assets disclosed above. As at 30 June 2022, derivative assets of \$7,202,771 and derivative liabilities of \$17,389 would be reduced by \$17,389 to the net asset amount of \$7,185,382.

Accounting Policies

Derivative assets and liabilities

The Responsible Entity utilises interest rate swaps to manage the risks associated with interest rate fluctuations. Such derivative financial instruments are recognised at fair value.

The Responsible Entity has set defined policies and implemented a comprehensive hedging program to manage interest rate risks of the Trust. Derivative instruments are transacted to achieve the economic outcomes in line with the Trust's treasury policy and hedging program and are not transacted for speculative purposes. Accounting standards require detailed compliance with documentation, designation and effectiveness parameters before a derivative instrument is deemed to qualify for hedge accounting treatment. Where these requirements are not met, derivative instruments are deemed not to qualify for hedge accounting and changes in fair value are recorded in the statement of comprehensive income.

The fair value of derivatives has been determined with reference to market observable inputs for contracts with similar maturity profiles. The valuation is a present value calculation which incorporates interest rate curves and the credit quality of counterparties.

Contributed equity

Issued and paid up capital is recognised at the fair value of the consideration received by the Trust. Any transaction costs arising on the issue of ordinary units are recognised directly in equity as a reduction of the proceeds received.

Note 15 – Capital risk management

The Responsible Entity seeks to manage the capital requirements to maximise value to members through the mix of debt and equity funding, while ensuring that the Trust:

- complies with capital and distribution requirements of the Trust's constitution;
- complies with capital requirements in relation to the Trust's borrowing covenants; and
- continues to operate as a going concern.

The Responsible Entity assesses the adequacy of the Trust's capital requirements, cost of capital and gearing (i.e. debt/equity mix) as part of its broader strategic plan. The Responsible Entity continuously reviews the Trust's capital structure in order to:

- have sufficient funds and financing facilities, on a cost effective basis, are available to implement operating strategies;
- ensure financing facilities for unforeseen contingencies are maintained; and
- provide distributions to members.

Notes to the Financial Statements continued

Note 16 – Financial risk management

The Trust's principal financial instruments comprise cash, receivables, payables, interest bearing liabilities and derivative financial instruments.

The Responsible Entity manages the Trust's exposure to key financial risks in accordance with the Trust's treasury risk management policies. These policies have been established to manage the key financial risks such as interest rate, counterparty credit and liquidity.

The Trust's treasury risk management policies are established to identify and analyse the risks faced by the Trust, to set appropriate risk limits and controls to monitor risks and adherence to limits including permitted types of derivative instruments. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Trust's activities. The Responsible Entity through training and procedures, has developed a control environment in which relevant treasury and finance personnel understand their roles and obligations in respect of the Trust's treasury management objectives.

The Audit and Risk Committee reviews and oversees management's compliance with these policies, procedures and limits. The Audit and Risk Committee is assisted in its oversight role by Scentre Group's Executive Risk Management Committee.

The Responsible Entity uses different methods to measure and manage different types of risks to which the Trust is exposed. These include monitoring levels of exposure to interest rates, liquidity and credit risk. The Trust enters into interest rate swaps to manage the interest rate risks arising from the Trust's operations, cash flows and its interest bearing liabilities. The Responsible Entity seeks to deal only with creditworthy counterparties and these assessments are regularly reviewed. Liquidity risk is monitored through the use of rolling cash flow forecasts.

Note 17 – Interest rate risk management

The Trust is exposed to interest rate risk on its interest bearing liabilities and derivative financial instruments. The risk is managed by the Responsible Entity by maintaining an appropriate mix between fixed and floating rate interest bearing liabilities. Fixed rate debt is achieved through the use of derivative financial instruments in accordance with a Board approved policy. These activities are evaluated regularly to determine that the Trust is not exposed to interest rate movements that could adversely impact its ability to meet its financial obligations and to comply with its borrowing covenants.

(i) Summary of floating interest rate positions at balance date

The Trust's interest rate risk exposures at reporting date including the relevant financial instruments used to manage these exposures are as follows:

Interest payable exposure	Note	30 Jun 23 \$'000	30 Jun 22 \$'000
Principal amounts of all interest bearing liabilities:			
Secured bank loans	11	240,500	253,000
		240,500	253,000
Principal amounts of fixed interest rate liabilities:			
Fixed rate derivatives			
– A\$		185,000	190,000
		185,000	190,000

At 30 June 2023, the Trust has hedged 77% of its interest payable exposure by way of interest rate derivatives of varying durations. The remaining 23% is exposed to floating rates on a principal payable of \$55,500,000 at an interest rate based on an interbank benchmark rate and an applicable margin (2022: 75% hedged with floating exposure on principal payable of \$63,000,000).

Interest rate sensitivity

The sensitivity of interest expense to changes in the floating exposure interest rate is proportional. Assuming the floating interest payable exposure remains unchanged, an increase or decrease in interest rates of 100 basis points would increase or decrease interest expense by \$555,000 (2022: \$630,000) respectively for the next 12 months.

The fair values of derivatives used by the Trust are also sensitive to changes in interest rates and are as follows:

		30 Jun 23 \$'000	30 Jun 22 \$'000
	Interest rate movement	Increase/(decrease) in fair value	
	-2.0%	(8,494)	(9,363)
	-1.0%	(4,208)	(4,592)
	-0.5%	(2,092)	(2,274)
	0.5%	2,056	2,231
	1.0%	4,077	4,421
	2.0%	8,012	8,678

The assumed movement in basis points for the interest rate sensitivity analysis is based on the current observable market environment.

Note 18 – Credit and liquidity risk management

The Trust's credit risk arises from financial assets such as cash and cash equivalents, trade debtors and receivables and favourable derivative financial instruments. Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Trust.

The Responsible Entity generally considers a financial asset to be in default when contractual payments are 90 days past due. However, in certain cases, the Responsible Entity may also consider a financial asset to be in default when internal or external information indicates that the Trust is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Trust.

For cash and derivative instruments with banks and other financial institutions, credit limits have been established to ensure that the Responsible Entity deals only with approved counterparties and that counterparty concentration risk is addressed and the risk of loss is mitigated. Counterparty exposure is measured as the aggregate of all obligations of any single legal entity or economic entity to the Trust, after allowing for appropriate set offs which are legally enforceable. A maximum credit limit is allocated to each counterparty based on its credit rating. The counterparty credit risk associated with investment instruments is assessed based on its outstanding face value.

For trade debtors and receivables, there are no significant concentrations of credit risk. The Responsible Entity also obtains security deposits from tenants in the form of cash or bank guarantees which can be called upon if the tenant is in default under the terms of the lease contract.

The maximum exposure to credit risk at balance date is the aggregate of the carrying amounts of financial assets as disclosed in Note 20.

The Responsible Entity undertakes active liquidity and funding risk management to enable the Trust to have sufficient funds available to meet its financial obligations as and when they fall due, working capital and expected committed capital expenditure requirements. The Responsible Entity prepares and monitors rolling forecasts of liquidity requirements on the basis of expected cash flow.

Refer to Note 11 for details of interest bearing liabilities and financing facilities. The maturity profiles of the principal amounts of interest bearing liabilities including aggregate future estimated nominal interest and the estimated future nominal cashflows of derivative financial instruments are set out below:

	30 Jun 23 \$'000	30 Jun 22 \$'000

Due between one and five years	7,406	(3,424)
Due after five years	4	(17)
	11,394	(5,036)

Note 19 – Financial covenants

The Trust is required to comply with certain financial covenants in respect of its borrowing facility. The major financial covenants are summarised as follows:

- a) Earnings Before Interest, Taxes, Depreciation and Amortisation (EBITDA) to gross interest expense excluding gains or losses from mark to market;
 - not less than 1.75 times (2022: 1.75 times)
- b) Loan to Value Ratio (LVR) (debt to latest property value);
 - not exceed 50% (2022: 50%)

At and during the years ended 30 June 2023 and 30 June 2022, the Trust was in compliance with the above financial covenants.

Note 20 – Fair value of financial assets and liabilities

Set out below is a comparison by category of carrying amounts and fair values of all the Trust's financial instruments.

	Fair value hierarchy	Fair value		Carrying amount	
		30 Jun 23 \$'000	30 Jun 22 \$'000	30 Jun 23 \$'000	30 Jun 22 \$'000

– Floating rate debt	Level 2	240,500	253,000	240,500	253,000
Derivative liabilities ⁽ⁱⁱ⁾	Level 2	–	17	–	17

(i) These financial assets and liabilities are not subject to interest rate risk and the fair value approximates carrying amount.

(ii) These financial assets and liabilities are subjected to interest rate and market risks, the basis of determining the fair value is set out in the fair value hierarchy below.

Determination of fair value

The Responsible Entity uses the following hierarchy for determining and disclosing the fair value of a financial instrument. The valuation techniques comprise:

Level 1: the fair value is calculated using quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: the fair value is estimated using inputs other than quoted prices that are observable, either directly (as prices) or indirectly (derived from prices).

Level 3: the fair value is estimated using inputs that are not based on observable market data.

In assessing the fair value of the Trust's financial instruments, consideration is given to the available market data and if the market for a financial instrument changes then the valuation technique applied will change accordingly.

During the Financial Year, there were no transfers between Level 1, Level 2 and Level 3 fair value measurements.

Investment properties are considered Level 3.

Notes to the Financial Statements continued

Note 21 – Other significant accounting policies

(a) Expenses

Expenses are brought to account on an accruals basis.

(b) Taxation

The Trust has elected into the Attribution Managed Investment Trust Regime. Accordingly, the Trust is not liable for Australian income tax provided that the taxable income is attributed to members. The members of the Trust are taxable on the share of the taxable income of the Trust attributed to them.

(c) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except where the GST incurred on purchase of goods and services is not recoverable from the tax authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable. Receivables and payables are stated with the amounts of GST included.

The net amount of GST payable or receivable to government authorities is included as part of receivables or payables in the balance sheet.

Cash flows are included in the cash flow statement on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority are classified as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

Note 22 – Lease commitments

	30 Jun 23 \$'000	30 Jun 22 \$'000
Operating lease receivables		
The property owned by the Trust is leased to third party retailers under operating leases at 30 June 2023. Lease terms vary between retailers and some leases include percentage rental payments based on sales revenue.		
Future minimum rental revenue under non-cancellable operating retail property leases:		
Due within one year	39,154	34,697
Due between one and two years	30,686	28,542
Due between two and three years	24,249	21,958
Due between three and four years	20,606	16,781
Due between four and five years	14,631	13,447
Due after five years	29,967	35,399
	159,293	150,824

These amounts do not include percentage rental revenue which may become receivable under certain leases on the basis of retailer sales in excess of stipulated minimums and do not include recovery of outgoings.

– Fees for other assurance services	22,975	21,240
	121,300	116,145

Note 24 – Related party disclosures

Scentre Management Limited, the Responsible Entity of the Trust, is considered to be a related party of the Trust.

The constitution of the Trust allows for an annual service fee payable to the Responsible Entity up to a maximum of 2% of the total tangible assets of the Trust, which amounts to \$15,608,620 for the year to 30 June 2023 (2022: \$15,832,720), or such lesser amount as the Responsible Entity may determine. The service fee paid or payable to the Responsible Entity for the year ended 30 June 2023 was \$4,687,241 (2022: \$4,749,780) representing 0.6% (2022: 0.6%) of the total tangible assets of the Trust as of 30 June 2023.

During the year, amounts paid or payable (excluding GST) to associates of the Responsible Entity for development and construction billings amounted to \$5,942,181 (2022: \$430,451). As at 30 June 2023, remaining development and construction billings of nil (2022: nil) were payable to associates of the Responsible Entity.

Real estate management fees expensed for the year ended 30 June 2023 due to associates of the Responsible Entity are based on normal commercial terms and were \$2,735,778 (2022: \$2,609,612). As at 30 June 2023, real estate management fees of \$248,764 (2022: \$232,242) were payable to associates of the Responsible Entity.

Reimbursement of expenses for the year ended 30 June 2023 paid and payable to associates of the Responsible Entity are based on normal commercial terms and were \$2,643,584 (2022: \$2,722,807).

During the year, the Trust recorded dividend income of \$405,002 (2022: \$405,003) from an associate of the Responsible Entity. As at 30 June 2023, dividend income of \$153,001 (2022: \$90,001) were receivable from the associate of the Responsible Entity.

As at 30 June 2023, Scentre Management Limited, as Responsible Entity of Scentre Group Trust 1, held 48,943,807 units in the Trust (2022: 46,201,469 units).

Note 25 – Details and remuneration of Key Management Personnel

Key Management Personnel (KMP) are those individuals having the authority and responsibility for planning, directing and controlling the activities of the Trust, either directly or indirectly. The non-executive Directors, Chief Executive Officer (CEO) and Chief Financial Officer (CFO) are considered KMP.

(i) Key Management Personnel

The Directors of Scentre Management Limited, the Responsible Entity of the Trust, are considered to be Key Management Personnel. As at 30 June 2023, the Board comprises the following directors:

Brian Schwartz AM	Non-Executive Chair
Elliott Rusanow	Managing Director and CEO
Ilana Atlas AO	Non-Executive Director
Catherine Brenner	Non-Executive Director
Michael Ihlein	Non-Executive Director
Carolyn Kay	Non-Executive Director
Stephen McCann	Non-Executive Director
Guy Russo	Non-Executive Director
Margaret Seale	Non-Executive Director
Michael Wilkins AO	Non-Executive Director

Elliott Rusanow was appointed Managing Director and CEO effective 1 October 2022. Elliott Rusanow was CFO from 1 January 2022 to 30 September 2022, and executive KMP for the whole year. During the year, Andrew Clarke was appointed CFO effective 1 October 2022, and is also a KMP from that date.

Stephen McCann was appointed to the Board effective 1 November 2022.

Peter Allen (appointed on 25 May 2011) stepped down as Managing Director and CEO, and retired from the Board, on 30 September 2022. Andrew Harmos (appointed on 30 June 2014) retired from the Board on 5 April 2023.

As announced to the Australian Securities Exchange on 5 April 2023, Brian Schwartz intends to retire from the Board on 30 September 2023 and Ilana Atlas has been appointed Chair, effective 1 October 2023.

The Board of the Responsible Entity is identical to the Board of Scentre Group Limited, the parent company of Scentre Group. If a Director ceases to be a Director of Scentre Group Limited for any reason, they must also resign as a Director of the Responsible Entity.

(ii) Remuneration of KMP

The non-executive Directors of the Responsible Entity receive remuneration in their capacity as Directors of Scentre Group. They do not receive separate remuneration as Directors of the Responsible Entity. These fees are paid directly by Scentre Group Limited. Scentre Group Limited is the parent entity of Scentre Group, of which the Responsible Entity, Scentre Management Limited is part. Executive Directors and other executive Key Management Personnel are paid by Scentre Pty Limited, a wholly owned subsidiary of Scentre Group Limited. Management fees payable by the Trust to the Responsible Entity are calculated as a percentage of the total tangible assets and are not determined by reference to specific costs incurred by the Responsible Entity. Consequently, no compensation as defined in AASB 124 Related Parties, in respect of such management fees is paid directly by the Trust, or indirectly by a related party of the Trust, to those Key Management Personnel in respect of their services to the Trust.

Directors' Declaration

For the year ended 30 June 2023

The Directors of Scentre Management Limited, the Responsible Entity of Carindale Property Trust (Trust) declare that:

- (a) in the Directors' opinion, there are reasonable grounds to believe that the Trust will be able to pay its debts as and when they become due and payable;

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Carindale Property Trust (the Trust), which comprises the balance sheet as at 30 June 2023, the statement of comprehensive income, the statement of changes in equity and the cash flow statement for the year then ended, notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and the directors' declaration.

In our opinion, the accompanying financial report of the Trust is in accordance with the *Corporations Act 2001*, including:

- a. Giving a true and fair view of the Trust's financial position as at 30 June 2023 and of its financial performance for the year ended on that date; and
- b. Complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Trust in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial report of the current year. These matters were addressed in the context of our audit of the financial report as a whole, and in forming our opinion thereon, but we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have fulfilled the responsibilities described in the *Auditors Responsibilities for the Audit of the Financial Report* section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial report. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial report.

Shopping Centre Investment Property – Carrying value and revaluation

Why significant	How our audit addressed the key audit matter
<p>The Trust has \$775.5 million of investment property carried at fair value at 30 June 2023, representing 98% of total assets.</p> <p>Fair value was determined by the Trust at the end of the reporting period with reference to external independent property valuations and on market conditions existing at the reporting date. Changes in fair value were recognised in the income statement.</p> <p>We considered this to be a key audit matter as property valuations are based on certain assumptions, such as capitalisation rates, market rent, occupancy levels, re-leasing and capital expenditure, which are judgmental in nature.</p> <p>Note 3 of the financial report discloses the accounting policy for these assets and sensitivities to changes in the key assumptions that may impact the valuation.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • We held discussions with management on the following matters: <ul style="list-style-type: none"> – Movements in the Trust's investment property portfolio; – Changes in the condition of the property, including an understanding of key developments and changes to development activities; and – Changes in the estimated lease renewals. • We assessed the effectiveness of the Trust's controls over the leasing process and associated schedule of tenancy reports which are used as source data in the property valuation. • We performed the following procedures on the assumptions adopted in the valuation: <ul style="list-style-type: none"> – We assessed net income, lease expiry and vacancy assumptions adopted in the valuation against the schedule of tenancy reports, lease expiry profile and vacancy levels of the underlying assets; – We assessed the re-leasing and capital expenditure requirement assumptions in light of the current leasing status of the property; – Where available, we corroborated these assumptions to supporting lease documentation or external market data; and – We tested the mathematical accuracy of the valuation. • We involved our real estate valuation specialists to assist with the assessment of capitalisation rates adopted and the review and assessment of the property valuation. • We evaluated the suitability of the valuation methodology used. • Where relevant, we assessed the reasonableness of comparable transactions utilised by the Trust in the valuation process. • We assessed the qualifications, competence and objectivity of the external valuer used by the Trust. • We assessed the appropriateness of disclosures included in Note 3 of the financial report.

Carrying value of trade debtors and receivables – Expected credit loss allowance

Why significant	How our audit addressed the key audit matter
<p>At 30 June 2023, the Trust had \$4.1 million in trade debtors and receivables and recorded a \$2.7 million allowance for expected credit losses against these receivables.</p> <p>Trade debtors and receivables primarily comprises amounts due from tenants of the Trust's investment properties under lease agreements.</p> <p>The Trust applies Australian Accounting Standard AASB 9 <i>Financial Instruments</i> in calculating the allowance for expected credit losses, applying a forward-looking expected loss impairment model. This involves significant judgement as the expected credit losses must reflect information about past events, current conditions and forecasts of future conditions.</p> <p>The carrying value of trade debtors and receivables was considered a key audit matter due to the value of uncollected rental income at 30 June 2023, the uncertainty in the economic environment and management judgement required in determining the allowance for expected credit losses.</p> <p>Note 4 of the financial report describes the accounting policy for trade debtors and receivables and the related expected credit loss allowance. The note also describes the key judgements exercised by the directors in determining the expected credit loss allowances as well as sensitivities to changes in the key assumptions that may impact the loss allowance in future periods.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • We assessed the effectiveness of controls over the cash collection process by testing a sample of controls over invoice billings. • We assessed management's risk assessment of tenants and their expectation around future collections, with reference to rental assistance arrangements agreed with tenants. We assessed the impact of such arrangements against broader debtor groups and reviewed cash collections after year end in assessing future collectability of trade debtor balances. • We assessed whether the methodology used in the determination of expected credit losses was consistent with the principles of AASB 9. • We evaluated the key assumptions applied in calculating the expected credit losses for a sample of tenants. • We assessed whether forward-looking information as well as tenant related risk profiles were considered in the expected credit loss model. • We assessed the adequacy of the Trust's disclosures in relation to the valuation uncertainty of trade debtors included in the financial report, including the assumptions, estimations and judgements made in calculating the allowance for expected credit losses.

Independent Auditor's Report **continued**

Information Other Than the Financial Report and Auditor's Report

The directors of Scentre Management Limited, the Responsible Entity of the Trust, are responsible for the other information. The other information comprises the information included in the Trust's Annual Report for the year ended 30 June 2023 but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based upon the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Responsible Entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors of the Responsible Entity, are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Trust or cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the business activities within the Trust to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the audit of the Trust. We remain solely responsible for our audit opinion.

We communicate with the directors of the Responsible Entity, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors of the Responsible Entity, with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated to the directors of the Responsible Entity, we determine those matters that were of most significance in the audit of the financial report of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Directors' Report

For the year ended 30 June 2023

This Directors' Report provides information on the structure of the Trust's business, the Trust's financial performance for the period 1 July 2022 to 30 June 2023 (Financial Year), the strategies and prospects of the Trust as well as the key risks that face the Trust.

The responsible entity of the Trust, Scentre Management Limited (Company or Responsible Entity), is a member of Scentre Group.

Although the Trust is externally managed, the Responsible Entity as a member of Scentre Group has adopted the terms of the various charters and policies implemented by Scentre Group. The operations of the Trust are carried out by Scentre Group executives and employees and the management of Westfield Carindale is also conducted by subsidiaries of Scentre Group.

Scentre Group's governance, ethical business practices and high standards of conduct are fundamental to the way the Group works as a responsible and sustainable business. These values support the way in which Scentre Group manages the Trust and Westfield Carindale, one of the 42 Westfield destinations managed by the Group.

1. Review and results of operations

1.1 Operating environment

The Trust is a single centre property trust which owns a 50% interest in Westfield Carindale, located in the suburb of Carindale in Brisbane, approximately 12 kilometres south-east of the Brisbane CBD.

One of the city's leading retail and lifestyle destinations, Westfield Carindale is home to many of Australia's well-known retailers including David Jones, Myer, Kmart, Big W, Target, Coles, Woolworths, ALDI and Apple, as well as a host of premium fashion brands. An Event Cinemas complex and a range of other retailers including approximately 370 specialty stores complete the retail offer while the adjoining Carindale Home and Leisure Centre offers bulky goods retail.

As at 30 June 2023, the centre was 99.5% leased, up 80bps over the last 12 months. Annual retail sales were \$1,044.8 million, an increase of 12.4% compared to 2022, and an increase of 16.6% compared to 2019. Customer visitation for the year ended 30 June 2023 was 14.2 million, an increase of 10.8% on the prior financial year.

During the fourth quarter of calendar year 2023, the reconfiguration of the food court into a casual dining precinct is expected to commence at a cost of \$20 million (the Trust's share \$10 million). The upgrade will enhance Westfield Carindale's existing food and beverage offering through the introduction of eight new specialty restaurants and is scheduled for completion in June 2024.

The property was independently valued as of 30 June 2023 with CDP's share \$775 million, down 1.3% in the period. This move reflects a 25bps increase in the capitalisation rate, partially offset by growth in net operating income.

1.2 Financial results

The Trust's funds from operations (FFO) for the Financial Year was \$26.4 million, up 2.2% and statutory profit of \$8.0 million.

During the financial year, the Trust collected \$63.1 million of cash, achieving net operating cash flow of \$27.8 million.

As at 30 June 2023, the net tangible asset of the Trust was \$6.98 per unit and gearing was 31.0%.

As at 30 June 2023, 77% of the Trust's interest rate exposure is hedged.

The distribution for the Financial Year is \$19.7 million or 26.25 cents per unit, representing growth of 5.0% and in line with guidance. Details of the Trust's distributions are set out in section 4 of this report.

The pricing period for the Distribution Reinvestment Plan (DRP) ended on 18 August 2023. The issue price of units to be issued under the DRP is \$4.046.

FFO is a non-statutory reporting measure and has not been audited.

1.3 Principal activity

The principal activity of the Trust during the Financial Year was the long-term ownership of a 50% interest in Westfield Carindale.

There were no significant changes to the principal activity or the state of affairs of the Trust during the Financial Year.

1.4 Strategy and outlook

Subject to no material change in the operating environment, the Trust expects to distribute 27.102 cents per unit for the year ending 30 June 2024, representing a growth of 3.25%.

1.5 Matters subsequent to the year end

No event has occurred since the end of the Financial Year which would significantly affect the operations of the Trust.

2. Risk management

2.1 Risk management framework

The Board sets the overall risk appetite for the Trust and has approved strategies and policies to identify, monitor and manage key risks. The Board is assisted in its oversight of risk by the Audit and Risk Committee (ARC), which meets five times a year. The Board and ARC are supported by Scentre Group's Executive Risk Management Committee (ERMC), the executive leadership team and a dedicated risk function, to promote understanding and management of risk across all teams. Independent assurance is provided by internal audit.

Scentre Group's Enterprise Risk Management (ERM) Policy and ERM Framework integrate with the Group's day-to-day business processes including the processes of the Trust and Westfield Carindale. Risk management accountability is a key requirement for the Group's business managers and leaders. The Group's ERM Policy and Framework define risk oversight responsibilities for the Board and management and are reviewed annually by the risk team and approved by the ARC and the Board.

Directors' Report continued

The Group's ERM Framework, which encompasses the operations of the Trust and Westfield Carindale, reflects the three lines model and clear ownership and management of risk at an operational level. Front line managers are responsible for identifying, assessing, and managing their risks when delivering key objectives. Second line support functions provide advice, assists with risk and compliance frameworks and oversight and monitoring to support the delivery of key objectives. The Group's internal audit team is a third line of support providing independent assurance over the effectiveness of governance, risk management, and internal control processes that mitigate key risks and support the delivery of key objectives. Oversight of material risks by the executive leadership team and the Audit and Risk Committee confirms that the Trust operates within the risk appetite and strategy set by the Board.

The Risk Appetite Statement includes guidance for management on risk appetite and tolerance for material risks. Key controls for each material risk are documented and the effectiveness of the controls are monitored by the risk owner (a member of the executive leadership team), the risk function, the ERM Committee and the ARC. Executive working groups including life safety and security and cyber, privacy and data governance implement additional controls and risk oversight over non-financial risks. Risks and controls related to the Group's responsible business strategy are overseen by the executive leadership team.

2.2 Key risks

The Trust's sole investment is a 50% interest in Westfield Carindale, and as such it is exposed to the risks inherent in the ownership of a single asset. The performance of the Trust may be affected by the local economic and retail conditions in South East Queensland specifically, and Australia more generally.

Key risks and how they are managed and mitigated are outlined below.

Financial risk	Management and mitigation of risk
Maintaining a strong financial position Effective management of interest rate risk, and liquidity to minimise the impact of interest rate fluctuations on financial performance and maintain access to debt funding at an acceptable price	<ul style="list-style-type: none"> The Trust's financial risk exposures, including funding and liquidity risk and interest rate risk, are managed through established treasury risk management policies that govern the minimum amount of committed funding that must be held and the minimum amount of interest rate hedging that must be in place at any given time. Further information relating to financial risk management is detailed in Note 16 to Note 19 to the financial statements.
External risk	Management and mitigation of risk
Managing changes to operating conditions Minimising the financial impact of changes to operating conditions from economic downturn, regulatory changes, and other external events	Scentre Group (as manager of the Trust): <ul style="list-style-type: none"> Proactively engages with industry and government on policy areas and reform to enable the Trust to respond and plan for change. To the extent possible, seeks to mitigate the risk of disruptions to essential services through contractual arrangements and business continuity plans. Focuses on high standards of health and safety for Westfield Carindale's people, customers, business partners and communities.
Property risk	Management and mitigation of risk
Focusing on Westfield Carindale as a leading destination Adapting Westfield Carindale to changing consumer expectations and delivering profitability given the Trust's single asset is a 50% interest in Westfield Carindale, and earnings are derived from retail rental income	<ul style="list-style-type: none"> The Trust's strategy is to focus on Westfield Carindale as a leading retail destination and to manage exposure to changes in consumer sentiment or shopping preferences, including through complementing the in-centre experience with digital engagement platforms. Westfield Carindale has a strategic asset plan focused on the growth of the centre and the potential Westfield Carindale audience, and a community plan which includes key brand activations, community engagement activities and connections with local authorities.

Operational risk	Management and mitigation of risk
Workplace health and safety Protecting the safety and wellbeing of employees, customers, contractors and communities	<ul style="list-style-type: none"> Scentre Group has a strong work health and safety culture, with comprehensive life safety programs overseen by dedicated risk and security personnel. The Group's hazard and risk identification programs are designed to mitigate or eliminate the risk of injuries. The Group has in place a range of programs to support mental health and wellbeing.
Security and emergency management Minimising the impact of unexpected events that could place employees, customers and contractors in physical danger	<ul style="list-style-type: none"> Scentre Group has an intelligence function to identify emerging trends and threats. The Group engages with government agencies and specialists at the most senior levels whilst at same time ensuring that local relationships remain constructive and strong to address known security and operational concerns. Westfield Carindale is supported by Scentre Group's risk and security personnel and has a terrorism response plan and emergency response plan.
IT systems, data, cyber and business continuity Protecting systems from cyber-attacks, minimising business disruption, maintaining compliance and keeping our customers' data safe	<ul style="list-style-type: none"> Scentre Group has standards, policies and systems to address cyber, privacy and data governance risks, which are regularly reviewed to respond to the changing threat environment. Disaster recovery and business continuity plans are also reviewed and tested annually. Westfield Carindale has an emergency response plan that includes business continuity.
Supply chain Managing supply chain disruptions and that our suppliers uphold the Group's values and provide quality products and services in a responsible, sustainable manner	<ul style="list-style-type: none"> Scentre Group aims for a stable and responsible supply chain, which includes completing due diligence on suppliers for financial and non-financial risk and assessing any modern slavery risks within its direct operations and supply chains. The Group does this through its ERM Framework, Supplier Code of Conduct, Human Rights Policy and Supplier Grievance Management Policy.
Climate risk	Management and mitigation of risk
Managing the impacts of climate change Preparing for potential extreme weather conditions, utility price fluctuations, changing regulations and stakeholder preferences	<ul style="list-style-type: none"> The financial risks of climate related risk are managed and monitored through governance and review processes that are integrated into the Group's business. This includes the Audit and Risk Committee, the Executive Risk Management Committee, senior leaders, team members dedicated to environmental and initiatives, and centre management team members. Climate scenario analysis is used to inform the overall risk assessment. Energy markets are proactively monitored for opportunities to reduce the risk of utility price fluctuations.
Governance risk	Management and mitigation of risk
Managing regulatory, corporate governance and compliance obligations Confirming the governance framework supports the delivery of the Trust's strategy	<ul style="list-style-type: none"> Scentre Group's governance, ethical business practices and high standards of conduct are fundamental to the way Scentre Group works as a responsible and sustainable business. The Responsible Entity, as a member of Scentre Group, has adopted various charters and policies implemented by Scentre Group and has an ongoing compliance program.

Directors' Report *continued*

3. Responsible Business

The Trust is managed by Scentre Group in alignment with Scentre Group's Responsible Business Framework and its four pillars – community, talent, environmental impact and economic performance.

Aspects of the Trust's performance against these pillars are addressed throughout this report.

On 20 March 2023, Scentre Group released its 2022 Responsible Business Report and Performance Data Pack, its Climate Statement as well as its third Modern Slavery Statement (which included the operations of the Responsible Entity in respect of the Trust).

These documents can be accessed at <https://www.scentregroup.com/sustainability/reporting-data>.

3.1 Community

Westfield Carindale has a Community Plan which outlines the unique characteristics of the centre, including what Westfield Carindale customers value. It features a schedule of brand activations, community engagement activities including cultural days of significance.

During the Financial Year, community initiatives held at Westfield Carindale included Wear It Purple Day, R U OK? Day, Reconciliation Week, NAIDOC Week, and activations with emergency services, and local health organisations.

In April 2022, Westfield Carindale donated space to Beyond DV enabling it to open The HOPE Hub in the centre. The HOPE Hub offers people access to holistic information and support services for social issues including domestic violence and mental health in a secure and accessible location. Since opening, approximately 2,500 women, children and men have visited The HOPE Hub.

The Westfield Local Heroes program continued to highlight local individuals and organisations who work hard to make a positive impact on their communities and environment. Westfield Local Heroes are nominated and voted for by their communities.

The successful hero for each of the Group's 42 destinations (including Westfield Carindale) is awarded a \$20,000 grant for the organisation or group they represent, and each finalist receives a \$5,000 grant for their organisation or group.

During the Financial Year, the three Westfield Carindale finalists represented a cross section of social issues and opportunities across the local community, with the Westfield Carindale hero recognised for fundraising activities helping premature babies and their families. The two other finalists were recognised for their work in connection with providing support for children going into care or in crisis, and counselling for young people and adults.

3.2 Talent

Scentre Group recognises that its success comes from its people. The Group is committed to creating a safe, diverse, equitable and inclusive workplace where talent thrives.

While neither the Trust nor the Responsible Entity have any employees, Scentre Group's aspiration for its people extends to all employees including those undertaking work for the Trust and working at Westfield Carindale.

3.3 Environmental impact

As part of its objective to operate as a responsible, sustainable business, Scentre Group is committed to having efficient and resilient assets, including Westfield Carindale.

Climate scenario analysis for Westfield Carindale has been completed for a temperature change of 1.5 degrees, 2.1 to 3.5 degrees and greater than 3.5 degrees.

A strategic asset plan for Westfield Carindale is also in place for required upgrades and capital budget allocation to manage the impacts of climate change and the delivery strategies, including an environmental action plan for Westfield Carindale and monthly environmental KPI reports to review performance.

Under an agreement with CleanCo Westfield Carindale will be powered by entirely renewable sources from 2025.

Highlights for Westfield Carindale from the Financial Year include:

- decreased energy use by approximately 10% attributable to the Next Gen Building Management and Energy Analytics Program (including reduction in unnecessary plant operation, improving building management system controls for car park systems, lighting and chilled water plant equipment).
- increased water use by approximately 6% as prior year was impacted by COVID-19 and decreased foot traffic. However, water usage is lower by approximately 19% (compared to FY2019 which was not impacted by COVID-19). This is attributed to use of smart water meter technology.
- maintained NABERS rating for energy and water of 4.5.
- continued commitment to waste management and diversion from landfill with a dedicated recycling focus with both retail partners and waste providers on cardboard, co-mingled plastics, clear plastic wrap, coat hangers, and oil and grease.

3.4 Environmental regulations

Environmental laws and regulations in force in the jurisdictions in which Scentre Group operates are applicable to areas of its operations, including the Trust and in particular to its development, construction, and shopping centre management activities.

Scentre Group has in place processes and procedures to identify and comply with such requirements, including where applicable, obtaining and complying with the conditions of relevant authority consents and approvals and the obtaining of any necessary licences. These compliance processes and procedures are regularly reviewed and audited, and their application closely monitored.

The Group's 2022 Responsible Business Report can be found at <https://www.scentre.com/sustainability/reporting-data>.

4. Distributions

Full year distributions

The total distribution for the Financial Year is \$19.7 million representing a full year distribution of 26.25 cents per unit.

The following distribution for the six-month period ended 31 December 2022 was paid to members of the Trust during the Financial Year:

6. Options

No options were granted over unissued interests in the Trust during or since the end of the Financial Year to any of the Directors or officers of the Responsible Entity.

There are no unissued interests in the Trust under option.

No interests in the Trust were issued during or since the end of the Financial Year as a result of the exercise of an option over unissued interests in the Trust.

No Director holds debentures in the Trust.

7. Indemnities and insurance premiums

No insurance premiums were paid during or since the end of the Financial Year out of the assets of the Trust regarding insurance cover provided to either officers of the responsible entity or the auditors of the Trust. If the Company, as Responsible Entity of the Trust, acts in accordance with the constitution of the Trust and the *Corporations Act 2001*, it remains fully indemnified out of the assets of the Trust against any losses incurred while acting as the responsible entity of the Trust.

The Company's Constitution provides that a person who is or has been a Director or Secretary of the Company is entitled to be indemnified by the Company against any liabilities incurred by the person in that capacity (except a liability for legal costs), for all legal costs incurred in defending or resisting (or otherwise in connection with) proceedings in which the person becomes involved because of that capacity and legal costs incurred in good faith in obtaining legal advice on issues, if that expenditure has been approved in accordance with the Company's relevant policies. The indemnity does not apply to the extent that the Company is forbidden by law to indemnify the person or the indemnity would, if given, be made void by law.

A related corporation of the Company has paid premiums for directors' and officers' liability insurance in respect of Directors, secretaries, and officers of the Company as permitted by the *Corporations Act 2001*. The terms of the insurance policy prohibit disclosure of details of the nature of the liabilities covered by, and the amounts of the premiums payable under, that insurance policy.

In addition, each Director has entered into a Deed of Indemnity and Access with Scentre Group Limited which provides for indemnity against liability as a Director except to the extent of indemnity under an insurance policy or from another third party or where prohibited by law. The Deed also entitles the Director to access certain documents and records, subject to undertakings as to confidentiality.

To the extent permitted by law, the Company, as responsible entity of the Trust, has agreed to indemnify its auditors, Ernst & Young, as part of the standard terms of its audit engagement against claims by third parties arising from the audit (for an unspecified amount). No payment has been made to Ernst & Young during or since the end of the Financial Year.

8. Information for Registered Schemes

Fee of \$7,423,019 (comprising a service fee and real estate management fee) and \$5,942,181 in construction progress billings, were paid or payable to the Company, as Responsible Entity of the Trust and its associates out of the assets of the Trust during the Financial Year. Details of the fees are set out in Note 24 to the financial statements.

Scentre Management Limited (as responsible entity of Scentre Group Trust 1) held 48,943,807 units in the Trust as at 30 June 2023.

The Trust's DRP was in operation for the six-month distribution for the period to 30 June 2022 which was paid on 31 August 2022 and for the six-month distribution for the period to 31 December 2022 which was paid on 28 February 2023. 1,467,988 units were issued under the DRP on 31 August 2022 and 1,601,721 units were issued under the DRP on 28 February 2023.

The DRP is in operation for the six-month distribution for the period to 30 June 2023 which will be paid on 31 August 2023. An election to participate in the DRP for the August 2023 Distribution must be received by 5.00pm (Sydney time) on 23 August 2023.

No withdrawals were made from the Trust during the Financial Year.

Directors' Report continued

Details of the value of the Trust's assets as at the end of the Financial Year are set out in Note 3 and Note 20 to the financial statements. The basis of valuation of the centre is set out in Note 3.

As at 30 June 2023, there were 75,719,810 units on issue in the Trust.

9. Audit

9.1 Audit and Risk Committee

At the date of this report, the Responsible Entity has an Audit and Risk Committee.

9.2 Audit Fees and non-audit services

The amounts paid to the auditors are set out in Note 23 to the financial statements. No non-audit services were undertaken by the auditor during the Financial Year.

9.3 Auditor's Independence Declaration

Auditor's Independence Declaration to the Directors of Scentre Management Limited, the Responsible Entity of Carindale Property Trust

As lead auditor for the audit of the financial report of Carindale Property Trust for the financial year ended 30 June 2023, I declare to the best of my knowledge and belief, there have been:

- a. No contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit;
- b. No contraventions of any applicable code of professional conduct in relation to the audit; and
- c. No non-audit services provided that contravene any applicable code of professional conduct in relation to the audit.

10.1 Rounding

Pursuant to ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191, the amounts shown in the financial statements have been rounded to the nearest thousand dollars, unless otherwise indicated. Amounts shown as 0.0 represent amounts less than \$500 that have been rounded down.

10.2 Synchronisation of Financial Year

The Trust is a consolidated entity of each of Scentre Group Trust 1 and Scentre Group Limited. By orders dated 21 November 2001 and 27 June 2005 respectively made by the Australian Securities and Investment Commission, the directors of the Company, as responsible entity of Scentre Group Trust 1 and Scentre Group Limited have been relieved of compliance with the requirement to ensure that the financial year of the Trust coincides with the financial year of Scentre Group Trust 1 and Scentre Group Limited.

This report is made in accordance with a resolution of the Board of Directors of the Responsible Entity and is signed for and on behalf of the Directors.

Corporate Governance Statement

For the year ended 30 June 2023

The 2023 Corporate Governance Statement, which reports against the ASX Corporate Governance Council’s Corporate Governance Principles and Recommendations, 4th edition (Principles and Recommendations), sets out the Responsible Entity’s approach to corporate governance and Scentre Group’s governance framework and practices.

This statement was approved by the Board of the Responsible Entity, Scentre Management Limited, and is current as at 22 August 2023.

The corporate governance practices of the Responsible Entity should be considered having regard to the following:

- The Trust is a single centre property trust which owns a 50% interest in Westfield Carindale, located in suburban Brisbane, Queensland.
- The Trust is an externally managed entity. Accordingly, several of the Principles and Recommendations do not apply to the Trust. The Board of the Responsible Entity is responsible for overseeing the effective management, governance and operation of the Trust. As the Responsible Entity is a member of Scentre Group (ASX: SCG), the Board has adopted the terms of various charters and policies implemented by Scentre Group as its governance framework.
- Neither the Trust nor the Responsible Entity have any employees. As an externally managed entity, the operations of the Trust are carried out by Scentre Group executives and employees (see principle 8 below). The management of Westfield Carindale is also conducted by subsidiaries of Scentre Group Limited.

Scentre Group’s governance, ethical business practices and high standards of conduct are fundamental to the way the Group works as a responsible, sustainable business.

Scentre Group’s governance framework is outlined in the diagram below. The Group’s corporate governance documentation, including charters and relevant corporate policies and codes, can be found in the corporate governance section on the Trust’s website – <http://www.carindalepropertytrust.com.au>

Scentre Group is a stapled entity comprising a company and three managed investment schemes. The Boards of Scentre Group Limited, Scentre Management Limited (responsible entity of Scentre Group Trust 1 and Carindale Property Trust), RE1 Limited (responsible entity of Scentre Group Trust 2) and RE2 Limited (responsible entity of Scentre Group Trust 3) have common membership. Each Board has adopted a common Board Charter which sets out the objectives and responsibilities of the Scentre Group Board.

The Board of Scentre Management Limited is responsible for overseeing the effective management, governance and operation of the Trust.

The Board of the Responsible Entity, Scentre Management Limited, is identical to the Boards of Scentre Group Limited, RE1 Limited and RE2 Limited. Directors (other than the Chief Executive Officer (CEO), as Managing Director) are subject to election or re-election by securityholders of Scentre Group at the Annual General Meeting (AGM) of Scentre Group Limited. If a Director ceases to be a Director of Scentre Group Limited for any reason, they must also resign as a Director of Scentre Management Limited, RE1 Limited and RE2 Limited.

Notwithstanding that recommendations 1.1 to 1.7, 2.1, 2.2, 2.4 to 2.6, 8.1 to 8.3 and 9.1 and 9.2 are not applicable to the Trust as an externally managed entity, this statement describes the corporate governance practices of the Responsible Entity as part of Scentre Group including in relation to alternative recommendation 1.1, how the Responsible Entity manages the affairs of the Trust and the role and responsibilities of the Board. Details of the fees payable to the Responsible Entity (alternative recommendations 8.1–8.3) are set out in Note 24 to the financial statements.

Principle 1 – Lay solid foundations for management and oversight

1.1 Responsibilities of Board and management

The Board is responsible for overseeing the effective management of the Trust.

Board Charter

The Board Charter sets out the primary functions of the Board and the practices the Board has adopted to discharge its responsibilities including the matters reserved for the Board and the delegation of authority to the CEO.

This framework supports accountability and a balance of authority by clearly defining the respective roles and responsibilities of the Board and management. In turn, this enables the Board to maintain its focus on strategic guidance while exercising effective oversight of the Trust.

Under the Board Charter, the key responsibilities of the Board include:

- Strategy, purpose and culture
- Financial controls, risk management and compliance
- Capital management, funding and liquidity
- People and remuneration
- Board performance and succession
- Governance

Delegation to management

The Managing Director and CEO is Elliott Rusanow.

Day-to-day management of the Trust's business and operations is delegated by the Board to management through the CEO and is subject to the agreed authority limits applicable to the CEO and the executive leadership team.

The CEO together with the executive leadership team is responsible to the Board for the development and implementation of strategy and the overall management and performance of the Trust.

The CEO reports regularly to the Board on the progress being made by the Trust in all aspects of its business including shopping centre operations, developments and capital markets. The CEO is responsible for ensuring that senior management provide the Board with accurate, timely and clear information on the Trust's operations to enable the Board to perform its responsibilities.

The CFO also provides reports on the Trust's financial performance and other relevant matters such as the Trust's gearing and liquidity.

1.2 New appointments/re-election of Directors

Scentre Group has an ongoing succession planning and renewal program, and the membership of the Board is reviewed having regard to the ongoing and evolving needs of the Group's business.

The Board defines requirements for new Directors, considering the skills, experience and background of existing Board members, and any identified new skills required to supplement the Board's capabilities. The Board also engages external advisors in assessing potential new directors and their skills.

During the year, Stephen McCann was appointed to the Board. Stephen's skills and experience are set out in the Directors' Report.

Corporate Governance Statement *continued*

Appropriate checks are undertaken before a new candidate is recommended to the Board for appointment. These include checks as to the candidate's experience, educational qualifications, character, professional qualifications and memberships, criminal record and bankruptcy history.

The Board undertakes an annual review of its performance. The Board considers these results of this review in determining its endorsement of the Directors standing for election or re-election at the Group's AGM.

1.3 Written agreements with Directors and senior executives

Directors

New Directors receive a letter of appointment which sets out the key terms and conditions of their appointment.

The letter of appointment clearly defines the role of Directors, including expectations in terms of independence, participation, time commitment and continuous development. Directors are required to disclose, on an on-going basis, circumstances that may affect, or be perceived to affect their ability to exercise independent judgement so that the Board can determine independence on a regular basis. The letter provides that if a Director ceases to be a Director of Scentre Group Limited for any reason, they must also resign as a Director of the Responsible Entity, RE1 Limited and RE2 Limited.

Directors have unrestricted access to executive management, relevant Trust records and to legal and other professional advisers. Requests to executive management are made through the CEO and copied to the Chair of the Board.

Procedures are in place for Directors, with the prior approval of the Chair, to obtain outside legal or other independent professional advice, and to secure the attendance of such advisers if it is considered necessary to discharge their responsibilities as Directors.

Senior executives

All employees, including senior executives, are employed under a written service contract which sets out the terms of their employment. The service contract clearly defines the role of the executive, including expectations in terms of fulfilling the role. Executives are required to carry out their role using all reasonable care and skill.

Written employment agreements are in place for executive KMP, further details of which are set out in the Remuneration Report which forms part of Scentre Group's 2022 Annual Financial Report available at www.scentregroup.com/investors/annual-reports

Appropriate checks are undertaken in respect of all new employees, including senior executives. Checks are also undertaken in respect of employees who are being considered for a transfer or promotion into roles where checks are considered necessary. Checks include employment history, educational qualifications, character, professional qualifications and memberships, criminal record and bankruptcy history.

1.4 Company Secretary role

The Company Secretary is directly accountable to the Board, through the Chair, on all matters relating to the proper functioning of the Board and its Committees. The Company Secretary works with the Chair, the Board and the Board Committees and is responsible for ensuring the smooth running of the Board and Board Committees and that all governance matters are properly addressed. All Directors have access to the Company Secretary.

1.5 Diversity, equity and inclusion

Neither the Trust nor the Responsible Entity have any employees or had any employees during the Financial Year. During the Financial Year, the operations of the Trust were undertaken by subsidiaries of Scentre Group Limited and Scentre Group executives and employees. While, as an externally managed entity, the Trust is not required to report on diversity, Scentre Group's approach to diversity is outlined in Scentre Group's 2022 Corporate Governance Statement. The Group's Diversity, Equity and Inclusion Policy is available on the Trust's website.

1.6 Board self-assessment and performance

The Board self-assessment and review process is outlined in Scentre Group's Corporate Governance Statement.

1.7 Process for evaluating the performance of senior executives

Scentre Group has an established process of objective setting and performance review for all employees. Senior executives have well defined objectives which are discussed and agreed at the commencement of each year.

During the Financial Year, each member of the executive leadership team, including the executive KMP, was subject to a performance review as described above.

Principle 2 – Structure the board to be effective and add value

2.1 Structure of the Board and role of the Nomination Committee

As the Responsible Entity is a wholly owned subsidiary of Scentre Group Limited, recommendations relating to the composition of the Board of the Responsible Entity are made by the Scentre Group's Nomination Committee. The Responsible Entity does not have its own Nomination Committee.

The role of Scentre Group's Nomination Committee is outlined in Scentre Group's 2022 Corporate Governance Statement available at www.scentregroup.com/about-us/corporate-governance

2.2 Board skills matrix

ASX Corporate Governance Council's recommendation 2.2 that listed entities should disclose a board skills matrix does not apply to externally managed entities.

The Board currently comprises ten Directors, nine of whom are independent non-executive Directors. Details of the Directors' biographies, including their qualifications, are set out in the Directors' Report.

The Board is committed to having Directors who bring an appropriate mix of skills, knowledge, experience, expertise and diversity to Board decision making. A Board skills matrix, as at February 2023, is published in Scentre Group's 2022 Corporate Governance Statement.

2.3 Directors' independence

The Board has adopted guidelines based on the Principles and Recommendations to assist it in determining the independence of Directors.

In assessing independence, the Board has regard to the interests, positions and relationships potentially affecting the independent status of a Director as described in Box 2.3 of the Principles and Recommendations.

In making this determination the Board assesses if, on a case by case basis, a Director is:

- independent of management; and
- free of any interest, position or association that might influence or reasonably be perceived to influence, in a material respect, their capacity to bring an independent judgement to bear on issues before the Board.

Details of the length of service of each Director are set out in the Directors' Report.

2.4 Independent Directors

All non-executive Directors are considered independent.

2.5 Chairperson and independence

The Chair, Brian Schwartz, is an independent non-executive Director.

The Chair is responsible for providing leadership to the Board, promoting and facilitating the effective contribution of all Directors and encouraging a culture of openness and debate to foster a high performing and collegiate Board. The Chair acts as the main interface between the Board and the CEO.

2.6 Induction and ongoing education

New Directors participate in an induction program. This includes briefings with the CEO, CFO and other executives to provide new Directors with a deeper understanding of the Group's DNA and culture, strategic direction, business operations (including those of the Trust and Westfield Carindale), key risks and controls and regulatory and legal framework. As part of the program, Directors also meet with the external auditor and the Director, Risk and Internal Audit.

The Group recognises that developing industry and corporate knowledge is an ongoing process. Regular briefing sessions to the Board and Board Committees are conducted on several topics including:

- the Group's core operations including trends in international and domestic retail;
- legal and regulatory developments including health and safety laws, competition laws, corporate governance principles, tax and accounting changes; and
- new and emerging risks, business models and technologies.

So that Directors have a strong understanding of the Group's business, visits to the Group's Westfield destinations are undertaken, with tours conducted by members from our customer experience, leasing and development teams.

During the Financial Year the Board, as part of a strategy meeting, visited Westfield Carindale and the Group's other Brisbane based centres as well as the Group's centres in Auckland, New Zealand.

Corporate Governance Statement **continued**

Principle 3 – Instil a culture of acting lawfully, ethically and responsibly

3.1 Scentre Group values

Scentre Group's values are described as the Group's "DNA" which underpins the way the Group builds relationships within its teams, with its business partners, its communities and other stakeholders.

Ethical business practices and high standards of behaviours are fundamental to the way the Group works as a responsible, sustainable business.

The Group considers its policies, practices and behaviours on an ongoing basis in light of the expectations of its business partners, the communities in which the Group operates and other stakeholders, as well as social and regulatory developments.

The Group DNA is expressed as:

- We put the customer first
- We act with integrity
- We strive for excellence
- We succeed together
- We are constantly curious
- We create a positive legacy

3.2 Code of Conduct

The Code of Conduct sets the standards required for everyone who works for the Group, including Directors.

The code covers a range of areas including: Our Purpose and DNA; what is expected of our people; how we treat one another; conflicts of interest; business practices; dealing with others; communicating externally, and asking for guidance and speaking up.

The Code of Conduct and the Group's expectations of its people is communicated through several channels including Group wide listening and engagement forums led by the Group's intranet and seminars and online learning modules.

Material breaches of the Code of Conduct are reported to the Board.

3.3 Anti-Discrimination Policy

The Group's Anti-Discrimination Policy confirms the Group's commitment to providing a working environment free from discrimination.

The Group does not tolerate discrimination in any form.

The Group is also committed to creating a place where our people feel safe to speak up about behaviours and conduct that negatively impacts them or that they have observed. This safe environment encourages people to speak up early when the discrimination first occurs.

3.4 Anti-Fraud, Bribery and Corruption Policy

The Group's Anti-Fraud, Bribery and Corruption Policy is part of the Group's risk management framework. It is a tool which assists in identifying key principles that must be adhered to in relation to fraud, bribery, corruption, facilitation payments, gifts and entertainment and political donations.

Material matters reported under this policy are reported to the Board through the Audit and Risk Committee.

3.5 Diversity, Equity and Inclusion Policy

The Group's Diversity, Equity and Inclusion Policy is intended to reflect, and promote, the Group's purpose, people vision and values.

The Group expects its people to be inclusive, collaborative and supportive and to treat everyone fairly, equitably and with respect. The Group does not tolerate discrimination, harassment, vilification or victimisation.

3.6 Environmental Policy

The Group's Environmental Policy confirms the Group's commitment in developing and operating its Westfield destinations, including Westfield Carindale, to protect the environment, preserve resources for future generations and leave a positive legacy in the communities in which the Group operates.

3.7 Security Trading Policy

The Group has a Security Trading Policy which imposes “black-out” periods during the year, sets out restrictions on dealing in Scentre Group securities and Trust units by Directors and employees, clearance requirements and procedures to reduce the risk of insider trading.

3.8 Human Rights and Supply Chains

The Group’s Human Rights Policy reflects the Group’s objective to respect the dignity, wellbeing and human rights of its people, contractors and the communities in which the Group, including the Trust, operates.

The Group also has a Supplier Code of Conduct through which the Group seeks to encourage and, where appropriate, mandate requirements to help the Group and its suppliers in conducting business in a safe, accountable and equitable manner.

As part of being a responsible, sustainable business the Group assesses modern slavery risks within its supply chain to identify and mitigate the exposure to the potential risk of modern slavery in its operations and supply chains and to meet the requirements of the Commonwealth *Modern Slavery Act 2018*.

The Group’s approach to addressing the risk of modern slavery forms part of its governance and risk culture. The Group released its third Modern Slavery Statement, 2022 Responsible Business Report and its first Climate Statement on 20 March 2023. These documents are available on the Group’s website.

3.9 Whistleblower Protection Policy

The Group’s Whistleblower Protection Policy encourages the reporting of instances of unethical, unlawful or improper conduct and provides a mechanism by which such instances can be reported. It is a tool which assists in identifying behaviour which is inconsistent with the Group’s values, culture or policies.

The Board is also committed to the process by which any concerns raised under the Whistleblower Protection Policy are reviewed in an impartial, fair and objective manner. Anyone who makes a report may do so without fear of reprisal, intimidation or disadvantage.

The Group believes that encouraging reporting under this policy, and protecting and supporting whistleblowers, supports and advances the long-term interests of the Group and its stakeholders including its people, its investors and the broader community.

Material matters reported under this policy are reported to the Board through the Audit and Risk Committee.

Principle 4 – Safeguard the integrity of corporate reports

4.1 Audit and Risk Committee

The Audit and Risk Committee assists the Board in oversight of:

- the integrity of financial reporting of the listed entities within Scentre Group, including the Trust
- the effectiveness of the Group’s internal control environment including systems of internal controls, risk management and legal compliance
- the independence, objectivity and effectiveness of the internal and external audit function
- the processes for identifying and managing material business risks faced by the Group, including the Trust.

All members of the Committee must be financially literate and at least one member must have significant relevant financial and/or accounting experience.

The Board and Audit and Risk Committee are supported by Scentre Group’s Executive Risk Management Committee (ERMC), executive leadership team and a dedicated risk function, to promote understanding and management of risk across all teams. Independent assurance is provided by Scentre Group’s internal audit function.

The Group’s approach to risk management is outlined under Principle 7: Recognise and Manage Risk.

The Audit and Risk Committee also monitors regulatory developments in relation to the audit regime, the role of the audit and risk committee generally and how any developments may impact on corporate governance.

Internal audit function

The internal audit function (Business Review and Audit) is overseen by the Audit and Risk Committee. The Director, Risk and Internal Audit attends all meetings of the Audit and Risk Committee and reports on a regular basis as to the adequacy and effectiveness of the internal audit function. The Committee meets with the Director, Risk and Internal Audit at least twice a year, without management being present.

External audit function

The external auditor is EY. The lead audit partner is required to rotate after five years. The Committee has unrestricted access to the external auditor. The Committee meets with the external auditor at least twice a year without management being present to discuss any matters that the auditor may wish to raise directly with the Committee.

Corporate Governance Statement *continued*

Charter of Audit Independence

The Charter of Audit Independence is designed to require that the external auditor carries out the statutory audit function in a manner which is, at all times, demonstrably independent of the Group and the Trust.

The Charter sets out key requirements in the relationship between the external auditor and the Group, including the Trust, and defines the scope and value of the non-audit services which could be provided by the external auditor, without impacting on the actual or perceived independence of the external auditor.

4.2 Assurances from the CEO and CFO

The CEO and CFO provide written statements to the Board in accordance with section 295A of the *Corporations Act 2001*, and recommendation 4.2 of the Principles and Recommendations.

The statements include assurance regarding the maintenance and integrity of the financial statements and compliance with accounting standards, that the declarations are founded on a sound system of financial risk management and internal compliance and control which implement the policies adopted by the Board, and that the Group's financial risk management and internal compliance and control systems are operating efficiently and effectively in all material respects in relation to financial reporting risks, as they relate to the Trust.

The CEO and CFO statements are supported by declarations by senior executives as to the effectiveness of the Group's internal control and risk management systems and management of material risks, as they relate to the Trust.

4.3 Verification of periodic corporate reports

The Trust's external auditor audits, or in the case of the half-year, reviews the Trust's financial reports in accordance with the accounting standards.

Scentre Group management verifies other periodic corporate reports as required. The verification processes involve a management and operational review and include cross checking statements, information and data to original source reports.

All documents released to the market are subject to final sign-off and approval by relevant senior executives and, as required, the Board or a Disclosure Committee of the Board prior to release.

Principle 5 – Make timely and balanced disclosure

5.1 Continuous Disclosure and Communications Policy

The Responsible Entity is committed to providing members with comprehensive, timely and equal access to information about the Trust's activities to enable them to make informed investment decisions.

The Group's Continuous Disclosure and Communications Policy underlines the commitment to ensuring that members of the Trust and the market are provided with high quality, relevant and accurate information regarding its activities in a timely manner and that investors can trade in units in the Trust in a market which is efficient, competitive and informed as well as ensuring that market participants have an equal opportunity to review and assess information disclosed by the Trust.

The policy includes a vetting and authorisation process to verify that all disclosures are factual, do not omit material matters and are expressed in a clear and objective manner. The policy also outlines how the Responsible Entity identifies and disseminates information to members and the market generally.

The Group also has a Security Trading Policy which imposes "black-out" periods during the year, sets out restrictions on dealing in Trust units and Scentre Group securities by Directors and certain employees, and sets out clearance requirements and procedures to reduce the risk of insider trading.

5.2 Material market announcements

The Board of the Responsible Entity (or a delegated committee of the Board) approves all material ASX announcements prior to release to the market. These announcements are sent to the Board promptly after they have been made.

5.3 New and substantive investor or analyst presentations

As part of the Group's commitment to facilitate an efficient and informed market in Trust securities, all new and substantive investor and analyst presentations will be released to the market before the presentation.

Principle 6 – Respect the rights of security holders

6.1 Corporate website

The Trust monitors and continues to utilise a range of communication approaches including direct communications with members and publication of all relevant Trust information in the Investor Services section of the Trust's website.

The Trust's website is part of its communication platform to members and the broader investment community. Current and past media releases and interim and full year financial reports, as well as corporate governance documentation, including charters and relevant corporate policies, are available on the website. These announcements, presentations and reports continue to be posted on the Trust's website immediately after they have been released to the market.

6.2 Investor relations program

The Trust has an investor engagement program for engaging with members and the broader investment community including responding to enquiries from members from time to time and meeting with investors on request.

6.3 Annual General Meeting (AGM)

As a registered managed investment scheme, the Trust is not required to hold an AGM.

6.4 Resolutions by poll

As a registered managed investment scheme, the Trust is not required to hold an AGM. However, if a meeting was held all substantive resolutions would be determined by way of poll.

6.5 Electronic communications

Members may elect to receive all or some of the Trust's communications, including annual reports and notices of meeting, electronically.

The Trust's website provides details of how members can update their communication preferences, including in respect of annual reports and notices of meeting.

Principle 7 – Recognise and manage risk

7.1 Risk oversight

The Group's Enterprise Risk Management Framework, which encompasses the operations of the Trust and Westfield Carindale, reflects the three lines model and clear ownership of risk at an operational level.

Scentre Group's approach to risk management is founded on a strong risk culture where behavioural expectations are set by the Board and executive leadership team and actively promoted and role-modelled throughout the business. The Group recognises that effective risk management is fundamental to operating as a responsible sustainable business.

The Board sets the overall risk appetite for the Trust and has approved strategies, policies and procedures to identify, monitor and manage key risks.

Board members have a broad range of skills across various professions and industries and most Directors have been assessed as having advanced to expert skills in terms of risk management.

7.2 Risk management framework

The Group's Enterprise Risk Management Policy (ERM Policy) and Enterprise Risk Management Framework (ERM Framework) integrate with day-to-day business processes. Risk management is a key requirement for business managers and leaders. The ERM Policy and Framework define risk oversight responsibilities, are reviewed annually by the risk team and approved by the Audit and Risk Committee and the Board.

Oversight of material risks by the ERM and the Audit and Risk Committee confirms that the Trust operates within the risk appetite, tolerance and strategy set by the Board.

Board and Audit and Risk Committee oversight

The Board and Audit and Risk Committee are supported by the ERM, the executive leadership team and a dedicated risk function, to promote understanding and management of risk across all teams. Independent assurance is provided by Scentre Group's internal audit function.

Corporate Governance Statement *continued*

The Audit and Risk Committee at least annually, reviews the Group's corporate risk profile including the corporate material risks, key controls, risk appetite and risk tolerances, including as it relates to the Trust and Responsible Entity, to confirm the business operates within the risk appetite and strategy as set by the Board. The Committee undertook such a review during the Financial Year.

The Group's Board approved Risk Appetite Statement includes guidance for management on risk appetite and tolerance for each material risk. Key controls for each material risk are documented and the effectiveness of the controls monitored by the risk owner (in each case a member of the executive leadership team), the risk function, the ERM and the Audit and Risk Committee.

The Committee also reviews, and makes recommendations to the Board in relation to, the Group's Responsible Business Report, Climate Statement and Modern Slavery Statement.

The Board receives regular reports from management and the Committee on areas where there are considered to be significant business risks and on the management of those risks. The internal audit function also monitors these risks and reports to the Committee.

Assessment of material economic, operational, environmental and social sustainability risks forms part of the Group's ERM Framework. The Audit and Risk Committee also reviews the Group's processes for assessing material exposure to environmental risks, including economic risks associated with climate change, or social risks, and the processes in place to manage those risks.

Key risks for the Trust and how they are mitigated are outlined in the Directors' Report.

Executive Risk Management Committee

The purpose of the ERM is to assist and support the Board and the Audit and Risk Committee in its oversight of the Group's systems of risk management and internal control.

Membership of the ERM comprises the executive leadership team.

Additional controls and risk oversight is provided by executive working groups including life safety and security, cyber, privacy and data governance. Risks and controls related to the delivery of the Group's Responsible Business Strategy are overseen by the executive leadership team.

7.3 Internal Audit Function

As noted under Principle 4, the Group has an internal audit function, which is overseen by the Audit and Risk Committee.

7.4 Environmental and social risks

Assessment of material economic, operational, environmental and social sustainability risks forms part of the Group's ERM Framework. As noted, the Audit and Risk Committee has oversight of the Group's ERM Framework. The Committee also reviews the Group's processes for assessing material exposure to environmental risks, including economic risks associated with climate change, or social risks, and the processes in place to manage those risks.

Principle 8 – Remunerate fairly and responsibly

Neither the Trust nor the Responsible Entity have any employees. During the Financial Year, the operations of the Trust were carried out by Scentre Group executives and employees. The role of Scentre Group's Human Resources Committee is outlined in Scentre Group's 2022 Corporate Governance Statement available at www.scentre.com/about-us/corporate-governance

Reference should be made to Scentre Group's Remuneration Report in the 2022 Annual Financial Report for details of the Group's remuneration philosophy and framework, which is available at scentre.com/investors/annual-reports

The Group's Hedging of Executive Performance Rights Policy is available on the Group's website.

As the Board of the Responsible Entity and Scentre Group Limited are identical, no additional fees were paid to the non-executive Directors by the Responsible Entity or the Trust.

Details of the fees payable to the Responsible Entity are set out in Note 24 to the financial statements.

Additional recommendations that apply only in certain cases

9.1 Spoken and written language

This recommendation does not apply to the Trust.

9.2 An entity established outside Australia

This recommendation does not apply to the Trust.

9.3 Annual General Meetings, attendance by external auditors

As noted at Recommendation 6.3, as a registered managed investment scheme, the Trust is not required to hold an AGM.
